Web Applications

- Spelman Graduation Website
- A place where families can come to celebrate and appreciate the graduation ceremonies of Spelman College. Spelman's graduation ceremony was held over the course of 3 days. By using this page, families can understand the rich history and traditions of Spelman College and collect any information that they may need for such a monumental weekend. Not only can they find any information they may need, but they can contact organizers and Spelmanites alike to answer questions.

- The different pages of the application would be:
    - History page
    - Contact Us
    - Class Day
    - Baccalaureate
    - Commencement

- We will be storing the information on Graduates (name, major, Latin honors, campus involvement, next steps). Only administrators and verified Spelman alumn will be able to answer questions from users, and administrators can add / edit / delete information.
